FOR IMMEDIATE RELEASE

Ciara Brittany's Debut Christian Album Let It Shine Illuminates the World Through Faith and Music

A 15-Year Promise Fulfilled: Multi-GRAMMY® Winner Lannie Battistini Collaborates on Award-Winning Album Honored with a Global Music Award Gold Medal for Best Christian Album

TAMPA BAY, FL — Rising Christian recording artist **Ciara Brittany** has released her long-awaited debut album, *Let It Shine*, on **July 30, 2025**, which was honored on **October 20, 2025**, with a **Global Music Award Gold Medal** for Best Christian Album.

This soul-stirring collection of eight original songs blends Contemporary Gospel, Worship, and vibrant rhythms like Reggae and Latin Pop—creating a fresh, genre-fusing sound that uplifts and inspires. Earlier this year, two singles from the album, “I Give My Life to You” and “Since You Came Into My Life,” also received Global Music Award Silver Medals for Best Christian/Gospel Songs.

These award-winning tracks, along with five others, were written and produced by Lannie Battistini, a 2X GRAMMY® Award-winning keyboardist, pianist, and engineer, LATIN GRAMMY® Award-winning producer, and 9X Global Music Award recipient. The album was produced at Battistini's studio, Hands In Motion Music Productions, located in the Tampa Bay area.

Let It Shine is more than just a debut—it's the fulfillment of a 15-year promise. When Ciara, then only 15, first walked into Battistini's studio, he was captivated by her extraordinary voice and spirit. He told her, “One day, I'm going to produce a Christian album with you as the lead.” That day has finally come.

“Working with Ciara Brittany on this album has been nothing short of inspiring,” says Lannie Battistini. “She is an exceptionally gifted vocalist whose heart for worship shines

through every note. Producing her vocals felt more like guiding a worship experience than a recording session.”

Now a wife, mother of three, and Lead Worshiper at Yeshua House of Fire, Ciara brings a mature, heartfelt depth to her performances.

“Being asked to be the lead vocalist on Let It Shine was truly a dream come true,” Ciara shares. “Collaborating with someone as talented and respected as Lannie Battistini was already an honor—but more than that, getting to glorify God through these songs has been the most meaningful experience of my life.”

Lannie Battistini, whose four-decade career spans Jazz, Latin Jazz, Contemporary Instrumental, and now Christian/Gospel music, brings his full depth as a pianist, arranger, composer, producer, and songwriter to this project.

“This project is different,” Battistini adds. “It’s straight from the heart—a personal praise offering to God for the gift of music.”

Let It Shine is now available worldwide on all digital music platforms, streaming services, and online stores.
