FOR IMMEDIATE RELEASE

**LANNIE BATTISTINI — Virtuoso Pianist, Award-Winning Composer, Engineer,  
Producer & Visionary Entrepreneur Expands His Legacy with New Acclaim**

Tampa Bay, FL — Lannie Battistini, a pianist of staggering brilliance and a genre-crossing musical craftsman, continues to elevate the world of jazz, Latin jazz, contemporary instrumental, and Christian music through his unmatched versatility and expressive genius. With a career spanning more than 45 years, Lannie has become a distinguished force in performance, composition, production, and music education.

A melodic storyteller with instinctive mastery and a genius of touch, tone, and expression, Lannie's performances are defined by improvisational phrasing both fearless and refined. His signature piano style bridges technical sophistication with soul-deep emotion, captivating audiences at prestigious jazz festivals, concert halls, and cultural events throughout the U.S., Puerto Rico, and abroad.

Lannie's contributions have earned him some of the industry's highest honors including 2× GRAMMY® Awards, a Latin GRAMMY® Award, a Latin GRAMMY® nomination, and nine Global Music Awards. These recognitions celebrate his mastery as a pianist, producer, arranger, composer, and recording engineer — and his ability to deliver music that resonates across cultures and generations.

His newest milestone includes receiving the Global Music Awards Gold Medal for his Contemporary Christian album "Let It Shine," a worship-inspired project blending gospel, Latin pop, reggae, and contemporary soundscapes. The album showcases a New Artist, Ciara Brittany with her powerful soulful voice and with Lannie's ability to infuse faith, emotion, and technical brilliance into a unified musical offering.

Throughout his 45-year career, Lannie has performed extensively in major jazz festivals, concert presentations, Latin jazz celebrations, worship venues, and cultural showcases. His performances are known for their spontaneity and creative reinvention — no two ever alike — each one alive with emotional depth, virtuosity, and artistic fire.

Lannie has also served as Artist-in-Residency for universities and colleges throughout Florida, North Carolina, and Omaha, offering masterclasses, workshops, and collaborative teaching rooted in excellence, mentorship, and industry wisdom.

As Founder & CEO of Hands In Motion Music School & Productions, a Tampa Bay institution for 20 years, Lannie leads a full-scale music enterprise offering a recording studio, production services, artist development, artist Marketing services, a music school, and industry coaching. His entrepreneurial vision continues to shape the artistic landscape of the region while empowering emerging talent to flourish.
